

Streamline

W030 Unisex

Streamline is a soft, flexible work shoe with an on-trend design. The flexible EVA sole has unique rubber details for maximum grip. The upper is made of textile and sewn from a single piece of fabric, which means that the shoe hugs the foot and fits well. Streamline is easy to take on and off and provides maximum comfort and function all day long. The light weight of these shoes makes them easy to carry around.
