

# The Texstar Way

**We keep your brand consistent.** Most companies in the service sector understand the importance of operating and being perceived as a single brand. A company's staff are its brand ambassadors and need to present a tidy, uniform image, whether at work sites, stores, warehouses or offices. Texstar has something to satisfy everyone's needs and requirements.

**One size fits all is not part of our concept.** Our sizes come in a variety of fits, in both men's and women's cuts, to suit different body shapes. Our whole product range is built around five clearly defined basic colours: white, red, blue, grey and black.

**We call this the Texstar Way.**
