

## WE KEEP YOUR BRAND CONSISTENT.

**M**ost companies understand the importance of operating and being perceived as a single brand. A company's staff are its brand ambassadors and need to present a tidy, uniform image, whether at work sites, stores, warehouses or offices. Texstar has something to suit everyone.

One size fits all is not part of our concept. That's why we offer a wide variety of sizes and cuts for both women and men, to suit different body shapes. Our clothes are stylish and well designed – garments that people enjoy wearing.

Our product range is built around five clearly defined basic colours: white, red, blue, grey and black. You can add a personal touch with accent garments and accessories.

We call this the Texstar Way.
